Data sheet

DOUBLE O TRI 2.0 - TACTICAL

Oval carabiner with DOUBLE TRIPLE gate. Ideal for use in rigging systems or with belay / abseil devices, ropes, pulleys. Thanks to its "Full Grey" colour, the carabiner is not very noticeable.

- Symmetrical shape allows the carabiner to self-center and work in both directions.
- Patented double gate usable by both left- and right-handers
- I-Profile spine to optimize strength / weight ratio
- Wider cross-sections at the points exposed to abrasion (apex / crown and base)
