DATASHEET

LINK 40

Accessory component to be used exclusively in combination with the EASY ACCESS and EASY SPEED devices. Used alone, it does not constitute a PPE.

Main features:

- it allows the user greater mobility compared to the safety line;
- equipped with a zip-pocket which allows it to be protected from wear and at the same time allows an easy inspection;
- supplied as standard with two FIX PRO positioning supports that prevent the connectors from turning around the webbing and prevent the possibility of transverse loads on the minor axis;
- 40 cm length (connectors excluded).

FEATURES

Application areas:	Various
