## STAND UP

This flexible loop ascender can be particularly well adjusted to the size of the user, especially for very large people. The second hand, which is not operating a rope clamp like the GET-UP during ascent, fits perfectly in the integrated handle. With the very large ascender foot opening, feet find solid hold quickly and safely. It can also be used for lifting persons. - Flexible adjustment options - Integrated handle allows two-handed ascent - Large foot loop opening

### FEATURES

Application areas:	Various
Fallindicator:	No
Colour:	Black, Orange
Hand wash:	40 °C
Edge approved:	No
Maximum lifetime:	10 years
Maximum temperature:	45 °C
Minimum tensile strength:	15.00 kN
Minimum temperature:	-35 °C

### DIMENSIONS

length_lanyard:	1.70 m
-----------------	--------

### MATERIAL

Material:	Polyamide, Aluminium
-----------	----------------------
