

## FS243.01

### SPIDER™ COMBO 1 - HARNESS

The **FALL SAFE® FS243.01 - SPIDER™ Combo 1** is a fall protection harness with 4 arms for optimized upright body position and support for extended working hours at difficult access. The airflow through all the harness layers is assured by the new and improved **Croc™ SPIDER™ 2.0** padding. This innovation also allows for lighter and more ergonomic final product, that is extremely comfortable for several hours in suspension. With reflective and extra breathable fabric, the FS243.01 combines the lightness of its composition with the **FALL SAFE®** quality assurance.
